Eddy Table Lamp White /
White Marble

A design in movement

Eddy, the table lamp, is an art of proportion: an airy shade floats above a weighty, organic base, creating a design in balance and motion. Steel and marble make up the main elements, while golden shimmers of brass put the dot on the ‘i’ on this atmospheric lamp.

The table lamp consists of a plane steel screen with integrated LED light source that balances on a lamp base made of hand turned Italian marble. The rotation process is emphasized by the proportion between a slim neck and a bulky body, which forms a simultaneously lively and dense silhouette.

Collection Overview

Eddy Table Lamp
H: 33,5 x Ø32 cm

Eddy Table Lamp Grey /
Grey Marble

Product Facts EU

Description

The table lamp Eddy is an art of proportions: an airy shade floats above a weighty, organic base, creating a design in balance and motion. The table lamp emits a soft light, which can be adjusted with the circular brass dimmer that forms a refined detail on the lampshade's top.

Design

Simon Legald, 2018

Material

Pressed steel / Marble

Construction

The table lamp consists of a steel screen with a permanently integrated energy-efficient LED light source with dispersion lens, which balances on a lamp base made of hand-turned Italian marble. Lampshade and base meet in a rotation point: a brass ball, which the shade can be tipped around to control the direction of the light. Brass dimmer on top of the lampshade.

Maintenance

Clean with damp cloth. Avoid use of all-purpose cleaners and other degreasing detergents.

Cord

2 m textile cord (White - White cord / Grey - Black cord / Black - Black cord).▶▶

► Dimmable function

Yes

Voltage

220-240 V

Frequency

50/60 Hz

Ip rating

IP20

Classification

Class III

Max load

18 W

Light source - included

LED included: SMD2835

Power: 16,5 W

CCT: 3000 K

Output: 1155 lm

Lifetime: 30 000 h

CRI: ~80

LED driver

PRI: 100-240 V - 50/60 Hz

SEC: DC24V 750 mA

Load: 18 W (Max)
