

# NEW WAVE

Kristian Sofus Hansen, Nicolaj Nøddesbo & Tommy Hyldahl

New Wave is a minimal sofa design inspired by Danish sofas from the 50's. New Wave's curvy design is reduced into three simple elements - base, back and cushion. Each element is carefully designed according to its function only, making the New Wave a both elegant and highly refined sofa design. The tight shape contrasted by soft cushions, makes New Wave equally at home in an office setting, hotel lobby or a residence.

The sofa is developed in collaboration with a highly skilled furniture manufacturer in Northern Italy, with many years of experience within furniture upholstery. The carefully selected foam mix ensures high comfort, while keeping the tight look. New Wave is offered in two variations - Two-Seater and Open-End - with various upholstery options.
