Designed for the perfect sunny day but crafted to withstand the rest of the year in Scandinavian conditions, the Storm series is an outdoor lounge collection consisting of three different sized lounge pieces. Made of Sunbrella, what is often called the ultimate outdoor fabric, the Storm series is both UV and waterproof. With its strong ability to withstand the effects of prolonged exposure to sunlight, wind, rain and humidity the Storm series is suitable for various outdoor lounge areas which require strong and weather-resistant furniture.
