Introducing Studio, the newest sofa landscape in the NORR11 collection - a tribute to a timeless era of the 70s and its expressive aesthetics. Featuring a versatile but simple system of modules, appearing in limitless options to form numerous settings, shapes and styles to adhere to all types of environments. Whether for a small living setting or spacious public site.

Studio is defined by its bold fluted upholstery characteristics inspired by late 70s sofa styles, refined in a contemporary way - giving the series a unique identity. Each module of Studio articulates soft and welcoming lines ideally suited for living, socialising and relaxing where one can feel totally at ease. The armrest cushion is loose and can be moved and repositioned across the series, balancing the fluted upholstery.

- 360-degree finish, each module can be a stand-alone
- Modules can be reversed to create a two-sided sofa
- Click-Link system connects modules
- Movable armrest cushion
- Soft foam mix for ultimate comfort
- On request available in a classic non-fluted upholstery
