Studio is defined by its bold fluted upholstery characteristics inspired by late 70s sofa styles, refined in a contemporary way, giving the series a unique identity.

Featuring a versatile yet simple system of modules, Studio offers a variety of options to form numerous settings, shapes, and styles, seamlessly blending into all sorts of environments. With a 360-degree finish, each module can be a stand-alone piece or reversed to create a two-sided sofa. The movable armrest cushion adds convenience and adaptability and the soft foam mix ensures ultimate comfort. To create a cohesive expression and accommodate diverse interior needs, the collection also upholds a bench and pouf.

- 360-degree finish, each module can be a stand-alone
- Modules can be reversed to create a two-sided sofa
- Click-Link system connects modules
